Give it room

Keep clear space around the logo equal to the height of the "P" in Peoria.

At least 1.5 in wide in print and 240 px on screen. Smaller than that, use the icon.

Don't alter it

No stretching, recoloring, outlines or shadows, and no retyping the name.

WHY THIS LOGO

- **Says it at a glance.**
  A crown over an implant post reads as dentist and implants before anyone reads a word.
- **Clear at any size.**
  Two solid shapes and one typeface stay sharp from the sign out front to a browser tab.
- **Carries the new name.**
  "Peoria Dental" leads, with "and Implant Center" in spaced capitals underneath.
- **Dental colors.**
  Trust blue for the crown, clean aqua for the implant, nothing that dates it.
